LOKINDER SINGH

Secretary General

Respected Sir,

Date: 15/4/2026

Greetings!

I am writing to respectfully submit the detailed budget proposal for the preparation of the Indian contingent for the upcoming Commonwealth Games (CWG), encompassing both the domestic and overseas training phases.

The proposed training schedule is as follows:

- **India Training Camp:** 1st May to 20th June (India)
- **Overseas Training Camp:** 20th June to 20th July (Glasgow, United Kingdom)

The preparation plan has been carefully structured to ensure that athletes receive optimal exposure, advanced training facilities, and competitive readiness ahead of the CWG. The enclosed budget includes provisions for:

- Boarding and lodging of athletes and support staff
- International and domestic travel (airfare, local transport, visas, and insurance)
- Training venue charges and equipment requirements
- Coaching and support staff expenses
- Daily allowances and miscellaneous expenses essential for smooth camp operations
- Etc
- Detailed budget copy is attached

We would like to emphasize that the **timely approval and release of the budget** will be crucial in enabling the Bowling Federation of India (BFI) to execute the training programme as scheduled. This will ensure that athletes are able to commence their preparation without delay, train under optimal conditions, and perform to the best of their abilities in line with national expectations at the CWG.

We kindly request your support for the expeditious approval of the submitted budget to facilitate seamless planning and implementation of the camps.

We remain committed to the development of the sport and to bringing laurels to the country.

Thanking you for your continued guidance and support.

Yours sincerely,
